2.7. “Change in Control” means the occurrence of any of the following:

(a) An acquisition (other than directly from the Company) of any voting securities of the Company (the “Voting Securities”) by any Person, immediately after which such Person has “Beneficial Ownership” (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of fifty percent (50%) or more of the combined voting power of the Company’s then-outstanding Voting Securities; *provided, however*, that in determining whether a Change in Control has occurred pursuant to this Section 2.7(a), the acquisition of Voting Securities in a Non-Control Acquisition (as hereinafter defined) shall not constitute a Change in Control. A “Non-Control Acquisition” shall mean an acquisition by (i) an employee benefit plan (or a trust forming a part thereof) maintained by (A) the Company or (B) any corporation or other Person the majority of the voting power, voting equity securities or equity interest of which is owned, directly or indirectly, by the Company (for purposes of this definition, a “Related Entity”), (ii) the Company or any Related Entity or (iii) any Person in connection with a Non-Control Transaction (as hereinafter defined);

(b) The individuals who, as of the Effective Date are members of the Board (the “Incumbent Board”), cease for any reason to constitute at least a majority of the members of the Board; *provided, however*, that if the election, or nomination for election by the Company’s common stockholders, of any new director was approved by a vote of at least two-thirds of the Incumbent Board, such new director shall, for purposes of this Plan, be considered as a member of the Incumbent Board; *provided further, however*, that no individual shall be considered a member of the Incumbent Board if such individual initially assumed office as a result of either an actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board (a “Proxy Contest”) including by reason of any agreement intended to avoid or settle any Proxy Contest;

(c) The consummation of:

(i) A merger, consolidation or reorganization (x) with or into the Company or (y) in which securities of the Company are issued (a “Merger”), unless such Merger is a Non-Control Transaction. A “Non-Control Transaction” shall mean a Merger in which:

(A) the stockholders of the Company immediately before such Merger own directly or indirectly immediately following such Merger at least a majority of the combined voting power of the outstanding voting securities of (1) the corporation resulting from such Merger (the "Surviving Corporation"), if fifty percent (50%) or more of the combined voting power of the then outstanding voting securities of the Surviving Corporation is not Beneficially Owned, directly or indirectly, by another Person (a "Parent Corporation"), or (2) if there is one or more than one Parent Corporation, the ultimate Parent Corporation;

(B) the individuals who were members of the Board immediately prior to the execution of the agreement providing for such Merger constitute at least a majority of the members of the board of directors of (1) the Surviving Corporation, if there is no Parent Corporation, or (2) if there is one or more than one Parent Corporation, the ultimate Parent Corporation; and

(C) no Person other than (1) the Company or another corporation that is a party to the agreement of Merger, (2) any Related Entity, (3) any employee benefit plan (or any trust forming a part thereof) that, immediately prior to the Merger, was maintained by the Company or any Related Entity or (4) any Person who, immediately prior to the Merger, had Beneficial Ownership of Voting Securities representing more than fifty percent (50%) of the combined voting power of the Company's then-outstanding Voting Securities, has Beneficial Ownership, directly or indirectly, of fifty percent (50%) or more of the combined voting power of the outstanding voting securities of (x) the Surviving Corporation, if there is no Parent Corporation, or (y) if there is one or more than one Parent Corporation, the ultimate Parent Corporation;

Notwithstanding the foregoing, a Change in Control shall not be deemed to occur solely because any Person (the "Subject Person") acquired Beneficial Ownership of more than the permitted amount of the then outstanding Voting Securities as a result of the acquisition of Voting Securities by the Company which, by reducing the number of Voting Securities then outstanding, increases the proportional number of shares Beneficially Owned by the Subject Person; *provided* that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of Voting Securities by the Company and, after such acquisition by the Company, the Subject Person becomes the Beneficial Owner of any additional Voting Securities and such Beneficial Ownership increases the percentage of the then outstanding Voting Securities Beneficially Owned by the Subject Person, then a Change in Control shall occur.

(e) exercise its discretion with respect to the powers and rights granted to it as set forth in the Plan; and

(f) generally, exercise such powers and perform such acts as are deemed necessary or advisable to promote the best interests of the Company with respect to the Plan.

3.5. Non-Uniform Determinations. The Committee's determinations under the Plan need not be uniform and may be made by it selectively among Persons who receive, or are eligible to receive, Awards (whether or not such Persons are similarly situated). Without limiting the generality of the foregoing, the Committee shall be entitled, among other things, to make non-uniform and selective determinations, and to enter into non-uniform and selective Award Agreements, as to the Eligible Individuals to receive Awards under the Plan and the terms and provision of Awards under the Plan.

3.6. Non-U.S. Employees. Notwithstanding anything herein to the contrary, with respect to Participants working outside the United States, the Committee may determine the terms and conditions of Awards and make such adjustments to the terms thereof as are necessary or advisable to fulfill the purposes of the Plan taking into account matters of local law or practice, including tax and securities laws of jurisdictions outside the United States.

3.7. Indemnification. No member of the Committee shall be liable for any action, failure to act, determination or interpretation made in good faith with respect to the Plan or any transaction hereunder. The Company hereby agrees to indemnify each member of the Committee for all costs and expenses and, to the extent permitted by applicable law, any liability incurred in connection with defending against, responding to, negotiating for the settlement of or otherwise dealing with any claim, cause of action or dispute of any kind arising in connection with any actions in administering the Plan or in authorizing or denying authorization to any transaction hereunder.

3.8. No Repricing of Options or Stock Appreciation Rights. The Committee shall have no authority to (i) make any adjustment (other than in connection with an Adjustment Event, a Corporate Transaction or other transaction where an adjustment is permitted or required under the terms of the Plan) or amendment, and no such adjustment or amendment shall be made, that reduces or would have the effect of reducing the exercise price of an Option or Stock Appreciation Right previously granted under the Plan, whether through amendment, cancellation or replacement grants or other means, or (ii) cancel for cash or other consideration any Option whose Option Price is greater than the then Fair Market Value of a Share or Stock Appreciation Right whose Base Price is greater than the then Fair Market Value of a Share unless, in either case the Company's stockholders shall have approved such adjustment, amendment or cancellation.

4. Stock Subject to the Plan; Grant Limitations.

4.1. Aggregate Number of Shares Authorized for Issuance. Subject to any adjustment as provided in the Plan, the maximum number of Shares that may issued pursuant to Awards granted under the Plan shall not exceed 881,500. The Shares to be issued under the Plan may be, in whole or in part, authorized but unissued Shares or issued Shares which shall have been reacquired by the Company and held by it as treasury shares.

4.2. Calculating Shares Available. If an Award or any portion thereof (i) expires or otherwise terminates without all of the Shares covered by such Award having been issued or (ii) is settled in cash (i.e., the Participant receives cash rather than Shares), such expiration, termination or settlement will not reduce (or otherwise offset) the number of Shares that may be available for issuance under the Plan. If any Shares issued pursuant to an Award are forfeited and returned back to or reacquired by the Company because of the failure to meet a contingency or condition required to vest such Shares in the Participant, then the Shares that are forfeited or reacquired will again become available for issuance under the Plan. Any Shares tendered or withheld (i) to pay the Option Price of an Option granted under this Plan or (ii) to satisfy tax withholding obligations associated with an Award granted under this Plan, shall become available again for issuance under this Plan.

5. Stock Options.

5.1. Authority of Committee. The Committee may, subject to the terms and conditions of the Plan, grant Options to any individual as a material inducement to the individual becoming an Employee, which grant shall become effective only if the individual actually becomes an Employee. The terms and conditions of the grant shall be determined by the Committee and shall be set forth in an Award Agreement. Options shall be subject to the following terms and provisions:

5.2. Option Price. The Option Price or the manner in which the exercise price is to be determined for Shares under each Option shall be determined by the Committee and set forth in the Award Agreement; *provided, however,* that the exercise price per Share under each Option shall not be less than the greater of (i) the par value of a Share and (ii) 100% of the Fair Market Value of a Share on the date the Option is granted.

5.3. Maximum Duration. Options granted hereunder shall be for such term as the Committee shall determine; *provided, however*, that an Option shall not be exercisable after the expiration of ten (10) years from the date it is granted; *provided, further, however*, that unless the Committee provides otherwise (i) an Option may, upon the death of the Participant prior to the expiration of the Option, be exercised for up to one (1) year following the date of the Participant's death, even if such period extends beyond ten (10) years from the date the Option is granted and (ii) if, at the time an Option would otherwise expire at the end of its term, the exercise of the Option is prohibited by applicable law or the Company's insider trading policy, the term shall be extended until thirty (30) days after the prohibition no longer applies. The Committee may, subsequent to the granting of any Option, extend the period within which the Option may be exercised (including following a Participant's Termination), but in no event shall the period be extended to a date that is later than the earlier of the latest date on which the Option could have been exercised and the 10th anniversary of the date of grant of the Option, except as otherwise provided herein in this Section 5.3.

5.4. Vesting. The Committee shall determine and set forth in the applicable Award Agreement the time or times at which an Option shall become vested and exercisable. To the extent not exercised, vested installments shall accumulate and be exercisable, in whole or in part, at any time after becoming exercisable, but not later than the date the Option expires. The Committee may accelerate the exercisability of any Option or portion thereof at any time.

5.5. Method of Exercise. The exercise of an Option shall be made only by giving notice in the form and to the Person designated by the Company, specifying the number of Shares to be exercised and, to the extent applicable, accompanied by payment therefor and otherwise in accordance with the Award Agreement pursuant to which the Option was granted. The Option Price for any Shares purchased pursuant to the exercise of an Option shall be paid in any of, or any combination of, the following forms: (a) cash or its equivalent (*e.g.*, a check) or (b) if permitted by the Committee, the transfer, either actually or by attestation, to the Company of Shares that have been held by the Participant for at least six (6) months (or such lesser period as may be permitted by the Committee) prior to the exercise of the Option, such transfer to be upon such terms and conditions as determined by the Committee or (c) in the form of other property as determined by the Committee. In addition, (a) the Committee may provide for the payment of the Option Price through Share withholding as a result of which the number of Shares issued upon exercise of an Option would be reduced by a number of Shares having a Fair Market Value equal to the Option Price and (b) an Option may be exercised through a registered broker-dealer pursuant to such cashless exercise procedures that are, from time to time, deemed acceptable by the Committee. No fractional Shares (or cash in lieu thereof) shall be issued upon exercise of an Option and the number of Shares that may be purchased upon exercise shall be rounded down to the nearest number of whole Shares.

5.6. Rights of Participants. No Participant shall be deemed for any purpose to be the owner of any Shares subject to any Option unless and until (a) the Option shall have been exercised pursuant to the terms thereof, (b) the Company shall have issued and delivered Shares (whether or not certificated) to the Participant, a securities broker acting on behalf of the Participant or such other nominee of the Participant and (c) the Participant's name, or the name of his or her broker or other nominee, shall have been entered as a shareholder of record on the books of the Company. Thereupon, the Participant shall have full voting, dividend and other ownership rights with respect to such Shares, subject to such terms and conditions as may be set forth in the applicable Award Agreement.

5.7. Effect of Change in Control. Any specific terms applicable to an Option in the event of a Change in Control and not otherwise provided in the Plan shall be set forth in the applicable Award Agreement.

6. Stock Appreciation Rights.

6.1. Grant. The Committee may, subject to the terms and conditions of the Plan, grant Stock Appreciation Rights to any individual as a material inducement to the individual becoming an Employee, which grant shall become effective only if the individual actually becomes an Employee. The terms and conditions of the grant shall be determined by the Committee and shall be set forth in an Award Agreement. Awards of Stock Appreciation Rights shall be subject to the following terms and provisions.

6.2. Terms: Duration. Stock Appreciation Rights shall contain such terms and conditions as to exercisability, vesting and duration as the Committee shall determine, but in no event shall they have a term of greater than ten (10) years; *provided, however*, that unless the Committee provides otherwise (i) a Stock Appreciation Right may, upon the death of the Participant prior to the expiration of the Award, be exercised for up to one (1) year following the date of the Participant's death even if such period extends beyond ten (10) years from the date the Stock Appreciation Right is granted and (ii) if, at the time a Stock Appreciation Right would otherwise expire at the end of its term, the exercise of the Stock Appreciation Right is prohibited by applicable law or the Company's insider trading policy, the term shall be extended until thirty (30) days after the prohibition no longer applies. The Committee may, subsequent to the granting of any Stock Appreciation Right, extend the period within which the Stock Appreciation Right may be exercised (including following a Participant's Termination), but in no event shall the period be extended to a date that is later than the earlier of the latest date on which the Stock Appreciation Right could have been exercised and the 10th anniversary of the date of grant of the Stock Appreciation Right, except as otherwise provided herein in this Section 6.2.

6.3. Vesting. The Committee shall determine and set forth in the applicable Award Agreement the time or times at which a Stock Appreciation Right shall become vested and exercisable. To the extent not exercised, vested installments shall accumulate and be exercisable, in whole or in part, at any time after becoming exercisable, but not later than the date the Stock Appreciation Right expires. The Committee may accelerate the exercisability of any Stock Appreciation Right or portion thereof at any time.

6.4. Amount Payable. Upon exercise of a Stock Appreciation Right, the Participant shall be entitled to receive an amount determined by multiplying (i) the excess of the Fair Market Value of a Share on the last business day preceding the date of exercise of such Stock Appreciation Right over the Fair Market Value of a Share on the date the Stock Appreciation Right was granted (the "Base Price") by (ii) the number of Shares as to which the Stock Appreciation Right is being exercised (the "SAR Payment Amount"). Notwithstanding the foregoing, the Committee may limit in any manner the amount payable with respect to any Stock Appreciation Right by including such a limit in the Award Agreement evidencing the Stock Appreciation Right at the time it is granted.

6.5. **Method of Exercise.** Stock Appreciation Rights shall be exercised by a Participant only by giving notice in the form and to the Person designated by the Company, specifying the number of Shares with respect to which the Stock Appreciation Right is being exercised.

6.6. **Form of Payment.** Payment of the SAR Payment Amount may be made in the discretion of the Committee solely in whole Shares having an aggregate Fair Market Value equal to the SAR Payment Amount, solely in cash or in a combination of cash and Shares. If the Committee decides to make full payment in Shares and the amount payable results in a fractional Share, payment for the fractional Share will be made in cash.

6.7. **Effect of Change in Control.** Any specific terms applicable to a Stock Appreciation Right in the event of a Change in Control and not otherwise provided in the Plan shall be set forth in the applicable Award Agreement.

7. Dividend Equivalent Rights.

The Committee may, subject to the terms and conditions of the Plan, grant Dividend Equivalent Rights, either in tandem with an Award or as a separate Award, to any individual as a material inducement to the individual becoming an Employee, which grant shall become effective only if the individual actually becomes an Employee. The terms and conditions applicable to each Dividend Equivalent Right shall be determined by the Committee and shall be set forth in an Award Agreement. Amounts payable in respect of Dividend Equivalent Rights may be payable currently or, may be, deferred until the lapsing of restrictions on such Dividend Equivalent Rights or until the vesting, exercise, payment, settlement or other lapse of restrictions on the Award to which the Dividend Equivalent Rights relate; *provided, however*, that a Dividend Equivalent Right granted in tandem with another Award that vests based on the achievement of performance goals shall be subject to restrictions and risk of forfeiture to the same extent as the Awards with respect to which such dividends are payable. In the event that the amount payable in respect of Dividend Equivalent Rights is to be deferred, the Committee shall determine whether such amount is to be held in cash or reinvested in Shares or deemed (notionally) to be reinvested in Shares. Dividend Equivalent Rights may be settled in cash or Shares or a combination thereof, in a single installment or multiple installments, as determined by the Committee.

8. Restricted Stock; Restricted Stock Units.

8.1. **Restricted Stock.** The Committee may, subject to the terms and conditions of the Plan, grant Awards of Restricted Stock to any individual as a material inducement to the individual becoming an Employee, which grant shall become effective only if the individual actually becomes an Employee. The terms and conditions of the grant shall be determined by the Committee and shall be set forth in an Award Agreement. Each Award Agreement shall contain such restrictions, terms and conditions as the Committee may, in its discretion, determine and (without limiting the generality of the foregoing) such Award Agreements may require that an appropriate legend be placed on Share certificates. With respect to Shares in a book entry account in a Participant's name, the Committee may cause appropriate stop transfer instructions to be delivered to the account custodian, administrator or the Company's corporate secretary as determined by the Committee in its sole discretion. Awards of Restricted Stock shall be subject to the following terms and provisions:

(a) Rights of Participant. Shares of Restricted Stock granted pursuant to an Award hereunder shall be issued in the name of the Participant as soon as reasonably practicable after the Award is granted provided that the Participant has executed an Award Agreement evidencing the Award (which, in the case of an electronically distributed Award Agreement, shall be deemed to have been executed by an acknowledgement of receipt or in such other manner as the Committee may prescribe) and any other documents which the Committee may require as a condition to the issuance of such Shares. At the discretion of the Committee, Shares issued in connection with an Award of Restricted Stock may be held in escrow by an agent (which may be the Company) designated by the Committee. Unless the Committee determines otherwise and as set forth in the Award Agreement, upon the issuance of the Shares, the Participant shall have all of the rights of a shareholder with respect to such Shares, including the right to vote the Shares and to receive all dividends or other distributions paid or made with respect to the Shares.

(b) Terms and Conditions. Each Award Agreement shall specify the number of Shares of Restricted Stock to which it relates, the conditions which must be satisfied in order for the Restricted Stock to vest and the circumstances under which the Award will be forfeited.

(c) Delivery of Shares. Upon the lapse of the restrictions on Shares of Restricted Stock, the Committee shall cause a stock certificate or evidence of book entry Shares to be delivered to the Participant with respect to such Shares of Restricted Stock, free of all restrictions hereunder.

(d) Treatment of Dividends. At the time an Award of Restricted Stock is granted, the Committee may, in its discretion, determine that the payment to the Participant of dividends, or a specified portion thereof, declared or paid on such Shares by the Company shall be (i) deferred until the lapsing of the restrictions imposed upon such Shares and (ii) held by the Company for the account of the Participant until such time; *provided, however*, that a dividend payable in respect of Restricted Stock that vests based on the achievement of performance goals shall be subject to restrictions and risk of forfeiture to the same extent as the Restricted Stock with respect to which such dividends are payable. In the event that dividends are to be deferred, the Committee shall determine whether such dividends are to be reinvested in Shares (which shall be held as additional Shares of Restricted Stock) or held in cash. Payment of deferred dividends in respect of Shares of Restricted Stock (whether held in cash or as additional Shares of Restricted Stock), shall be made upon the lapsing of restrictions imposed on the Shares in respect of which the deferred dividends were paid, and any dividends deferred in respect of any Shares of Restricted Stock shall be forfeited upon the forfeiture of such Shares.

(e) Effect of Change in Control. Any specific terms applicable to Restricted Stock in the event of a Change in Control and not otherwise provided in the Plan shall be set forth in the applicable Award Agreement.

8.2. Restricted Stock Unit Awards. The Committee may, subject to the terms and conditions of the Plan, grant Awards of Restricted Stock Units to any individual as a material inducement to the individual becoming an Employee, which grant shall become effective only if the individual actually becomes an Employee. The terms and conditions of the grant shall be set forth in an Award Agreement. Each such Award Agreement shall contain such restrictions, terms and conditions as the Committee may, in its discretion, determine. Awards of Restricted Stock Units shall be subject to the following terms and provisions:

(a) Payment of Awards. Each Restricted Stock Unit shall represent the right of the Participant to receive one Share upon vesting of the Restricted Stock Unit or on any later date specified by the Committee; *provided, however*, that the Committee may provide for the settlement of Restricted Stock Units in cash equal to the Fair Market Value of the Shares that would otherwise be delivered to the Participant (determined as of the date of the Shares would have been delivered), or a combination of cash and Shares. The Committee may, at the time a Restricted Stock Unit is granted, provide a limitation on the amount payable in respect of each Restricted Stock Unit.

(b) Effect of Change in Control. Any specific terms applicable to Restricted Stock Units in the event of a Change in Control and not otherwise provided in the Plan shall be set forth in the applicable Award Agreement.

9. Performance Awards.

9.1. Performance Units and Performance Share Units. The Committee may, subject to the terms and conditions of the Plan, grant Awards of Performance Units and/or Performance Share Units to any individual as a material inducement to the individual becoming an Employee, which grant shall become effective only if the individual actually becomes an Employee. The terms and conditions of the grant shall be determined by the Committee and shall be set forth in an Award Agreement. Awards of Performance Units and Performance Share Units shall be subject to the following terms and provisions:

(a) Performance Units. Performance Units shall be denominated in a specified dollar amount and, contingent upon the attainment of specified Performance Objectives within the Performance Cycle and such other vesting conditions as may be determined by the Committee (including without limitation, a continued employment requirement following the end of the applicable Performance Cycle), represent the right to receive payment as provided in Sections 9.1(c) and (d) of the specified dollar amount or a percentage or multiple of the specified dollar amount depending on the level of Performance Objective attained. The Committee may at the time a Performance Unit is granted specify a maximum amount payable in respect of a vested Performance Unit.

(b) Performance Share Units. Performance Share Units shall be denominated in Shares and, contingent upon the attainment of specified Performance Objectives within the Performance Cycle and such other vesting conditions as may be determined by the Committee, (including without limitation, a continued employment requirement following the end of the applicable Performance Cycle), represent the right to receive payment as provided in Sections 9.1(c) and (d) of the Fair Market Value of a Share on the date the Performance Share Unit became vested or any other date specified by the Committee. The Committee may at the time a Performance Share Unit is granted specify a maximum amount payable in respect of a vested Performance Share Unit.

(c) Terms and Conditions; Vesting and Forfeiture. Each Award Agreement shall specify the number of Performance Units or Performance Share Units to which it relates, the Performance Objectives and other conditions which must be satisfied in order for the of Performance Units or Performance Share Units to vest and the Performance Cycle within which such Performance Objectives must be satisfied and the circumstances under which the Award will be forfeited; *provided, however*, that no Performance Cycle for Performance Units or Performance Share Units shall be less than one (1) year.

(d) Payment of Awards. Subject to Section 9.3(c), payment to Participants in respect of vested Performance Share Units and Performance Units shall be made as soon as practicable after the last day of the Performance Cycle to which such Award relates or at such other time or times as the Committee may determine that the Award has become vested. Such payments may be made entirely in Shares valued at their Fair Market Value, entirely in cash or in such combination of Shares and cash as the Committee in its discretion shall determine at any time prior to such payment.

9.2. Performance-Based Restricted Stock. The Committee may, subject to the terms and conditions of the Plan, grant Awards of Performance-Based Restricted Stock to any individual as a material inducement to the individual becoming an Employee, which grant shall become effective only if the individual actually becomes an Employee. The terms and conditions of the grant shall be determined by the Committee and shall be set forth in an Award Agreement. Each Award Agreement may require that an appropriate legend be placed on Share certificates. With respect to Shares in a book entry account in a Participant's name, the Committee may cause appropriate stop transfer instructions to be delivered to the account custodian, administrator or the Company's corporate secretary as determined by the Committee in its sole discretion. Awards of Performance-Based Restricted Stock shall be subject to the following terms and provisions:

(a) Rights of Participant. Performance-Based Restricted Stock shall be issued in the name of the Participant as soon as reasonably practicable after the Award is granted or at such other time or times as the Committee may determine; *provided, however*, that no Performance-Based Restricted Stock shall be issued until the Participant has executed an Award Agreement evidencing the Award (which, in the case of an electronically distributed Award Agreement, shall be deemed to have been executed by an acknowledgement of receipt or in such other manner as the Committee may prescribe), and any other documents which the Committee may require as a condition to the issuance of such Performance-Based Restricted Stock. At the discretion of the Committee, Shares issued in connection with an Award of Performance-Based Restricted Stock may be held in escrow by an agent (which may be the Company) designated by the Committee. Unless the Committee determines otherwise and as set forth in the Award Agreement, upon issuance of the Shares, the Participant shall have all of the rights of a shareholder with respect to such Shares, including the right to vote the Shares and to receive all dividends or other distributions paid or made with respect to the Shares.

(b) Terms and Conditions. Each Award Agreement shall specify the number of Shares of Performance-Based Restricted Stock to which it relates, the Performance Objectives and other conditions which must be satisfied in order for the Performance-Based Restricted Stock to vest, the Performance Cycle within which such Performance Objectives must be satisfied and the circumstances under which the Award will be forfeited; *provided, however*, that no Performance Cycle for Performance-Based Restricted Stock shall be less than one (1) year.

(c) Treatment of Dividends. At the time the Award of Performance-Based Restricted Stock is granted, the Committee may, in its discretion, determine that the payment to the Participant of dividends, or a specified portion thereof, declared or paid on Shares represented by such Award which have been issued by the Company to the Participant shall be (i) deferred until the lapsing of the restrictions imposed upon such Performance-Based Restricted Stock and (ii) held by the Company for the account of the Participant until such time; *provided, however*, that a dividend payable in respect of Performance-Based Restricted Stock shall be subject to restrictions and risk of forfeiture to the same extent as the Performance-Based Restricted Stock with respect to which such dividends are payable. In the event that dividends are to be deferred, the Committee shall determine whether such dividends are to be reinvested in Shares (which shall be held as additional Shares of Performance-Based Restricted Stock) or held in cash. Payment of deferred dividends in respect of Shares of Performance-Based Restricted Stock (whether held in cash or in additional Shares of Performance-Based Restricted Stock) shall be made upon the lapsing of restrictions imposed on the Performance-Based Restricted Stock in respect of which the deferred dividends were paid, and any dividends deferred in respect of any Performance-Based Restricted Stock shall be forfeited upon the forfeiture of such Performance-Based Restricted Stock.

(d) Delivery of Shares. Upon the lapse of the restrictions on Shares of Performance-Based Restricted Stock awarded hereunder, the Committee shall cause a stock certificate or evidence of book entry Shares to be delivered to the Participant with respect to such Shares, free of all restrictions hereunder.

9.3. Performance Objectives.

(a) Establishment. Performance Objectives for Performance Awards may be expressed in terms of (i) earnings per share; (ii) operating income; (iii) return on equity or assets; (iv) cash flow; (v) net cash flow; (vi) cash flow from operations; (vii) EBITDA; (viii) increased revenues; (ix) revenue ratios; (x) cost reductions; (xi) cost ratios; (xii) overall revenue or sales growth; (xiii) expense reduction or management; (xiv) market position; (xv) total shareholder return; (xvi) return on investment; (xvii) earnings before interest and taxes (EBIT); (xviii) net income; (xix) return on net assets; (xx) economic value added; (xxi) shareholder value added; (xxii) cash flow return on investment; (xxiii) net operating profit; (xxiv) net operating profit after tax; (xxv) return on capital; (xxvi) return on invested capital; (xxvii) entry into an agreement or arrangement with a third party for the development or commercialization of the Company's product candidates; (xxviii) initiation or completion of a clinical trial; (xxix) achievement of product development or commercialization milestone; (xxx) submission of regulatory filings or obtaining regulatory approval; (xxxi) any combination of the foregoing or (xxxii) any other performance criteria as may be established by the Committee. Performance Objectives may be in respect of the performance of the Company, any of its Subsidiaries, any of its Divisions or any combination thereof. Performance Objectives may be absolute or relative (to prior performance of the Company or to the performance of one or more other entities or external indices) and may be expressed in terms of a progression within a specified range.

(b) Effect of Certain Events. The Committee may, at the time the Performance Objectives in respect of a Performance Award are established, provide for the manner in which performance will be measured against the Performance Objectives to reflect the impact of specified events, including any one or more of the following with respect to the Performance Period (i) the gain, loss, income or expense resulting from changes in accounting principles or tax laws that become effective during the Performance Period; (ii) the gain, loss, income or expense reported publicly by the Company with respect to the Performance Period that are extraordinary or unusual in nature or infrequent in occurrence; (iii) the gains or losses resulting from and the direct expenses incurred in connection with, the disposition of a business, or the sale of investments or non-core assets; (iv) the gain or loss from all or certain claims and/or litigation and all or certain insurance recoveries relating to claims or litigation; or (v) the impact of investments or acquisitions made during the year or, to the extent provided by the Committee, any prior year. The events may relate to the Company as a whole or to any part of the Company's business or operations, as determined by the Committee at the time the Performance Objectives are established. Any adjustments based on the effect of certain events are to be determined in accordance with generally accepted accounting principles and standards, unless another objective method of measurement is designated by the Committee.

(c) Determination of Performance. Prior to the vesting, payment, settlement or lapsing of any restrictions with respect to any Performance Award, the Committee shall certify in writing that the applicable Performance Objectives have been satisfied. In respect of a Performance Award, the Committee may, in its sole discretion, reduce the amount of cash paid or number of Shares to be issued or that have been issued and that become vested or on which restrictions lapse.

(d) Effect of Change in Control. Any specific terms applicable to a Performance Award in the event of a Change in Control and not otherwise provided in the Plan shall be set forth in the applicable Award Agreement.

10. Share Awards.

The Committee may, subject to the terms and conditions of the Plan, grant a Share Award to any individual as a material inducement to the individual becoming an Employee, which grant shall become effective only if the individual actually becomes an Employee. The terms and conditions of the grant shall be determined by the Committee and shall be set forth in an Award Agreement. Share Awards may be made as additional compensation for services rendered by the Eligible Individual or may be in lieu of cash or other compensation to which the Eligible Individual is entitled from the Company. Any dividend payable in respect of a Share Award that vests based on the achievement of performance goals shall be subject to restrictions and risk of forfeiture to the same extent as the Share Award with respect to which such dividends are payable.

11. Effect of Termination of Employment; Transferability.

11.1. Termination. The Award Agreement evidencing the grant of each Award shall set forth the terms and conditions applicable to such Award upon Termination, which shall be as the Committee may, in its discretion, determine at the time the Award is granted or at any time thereafter.

11.2. Transferability of Awards and Shares.

(a) Non-Transferability of Awards. Except as set forth in Section 11.2(c) or (d) or as otherwise permitted by the Committee and as set forth in the applicable Award Agreement, either at the time of grant or at any time thereafter, no Award shall be (i) sold, transferred or otherwise disposed of, (ii) pledged or otherwise hypothecated or (iii) subject to attachment, execution or levy of any kind; and any purported transfer, pledge, hypothecation, attachment, execution or levy in violation of this Section 11.2 shall be null and void.

(b) Restrictions on Shares. The Committee may impose such restrictions on any Shares acquired by a Participant under the Plan as it may deem advisable, including, without limitation, minimum holding period requirements, restrictions under applicable federal securities laws, restrictions under the requirements of any stock exchange or market upon which such Shares are then listed or traded and restrictions under any blue sky or state securities laws applicable to such Shares.

(c) Transfers By Will or by Laws of Descent or Distribution. Any Award may be transferred by will or by the laws of descent or distribution; *provided, however,* that (i) any transferred Award will be subject to all of the same terms and conditions as provided in the Plan and the applicable Award Agreement; and (ii) the Participant's estate or beneficiary appointed in accordance with this Section 11.2(c) will remain liable for any withholding tax that may be imposed by any federal, state or local tax authority.

(d) **Beneficiary Designation.** To the extent permitted by applicable law, the Company may from time to time permit each Participant to name one or more individuals (each, a “Beneficiary”) to whom any benefit under the Plan is to be paid or who may exercise any rights of the Participant under any Award granted under the Plan in the event of the Participant’s death before he or she receives any or all of such benefit or exercises such Award. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Company, and will be effective only when filed by the Participant in writing with the Company during the Participant’s lifetime. In the absence of any such designation or if any such designation is not effective under applicable law as determined by the Committee, benefits under Awards remaining unpaid at the Participant’s death and rights to be exercised following the Participant’s death shall be paid to or exercised by the Participant’s estate.

12. Adjustment upon Changes in Capitalization.

12.1. In the event that (a) the outstanding Shares are changed into or exchanged for a different number or kind of shares of stock or other securities or other equity interests of the Company or another corporation or entity, whether through merger, consolidation, reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split, substitution or other similar corporate event or transaction or (b) there is an extraordinary dividend or distribution by the Company in respect of its Shares or other capital stock or securities convertible into capital stock in cash, securities or other property (any event described in (a) or (b), an “Adjustment Event”), the Committee shall determine the appropriate adjustments (if any) to (i) the maximum number and kind of shares of stock or other securities or other equity interests as to which Awards may be granted under the Plan, (ii) the number and kind of Shares or other securities covered by any or all outstanding Awards that have been granted under the Plan, (iii) the Option Price of outstanding Options and the Base Price of outstanding Stock Appreciation Rights and (iv) the Performance Objectives applicable to outstanding Performance Awards.

12.2. Any such adjustment in the Shares or other stock or securities shall be made, with respect to any Award that is not subject to Section 409A, in a manner that would not subject the Award to Section 409A and, with respect to any Award that is subject to Section 409A, in a manner that complies with Section 409A and all regulations and other guidance issued thereunder.

12.3. If, by reason of an Adjustment Event, pursuant to an Award, a Participant shall be entitled to, or shall be entitled to exercise an Award with respect to, new, additional or different shares of stock or securities of the Company or any other corporation, such new, additional or different shares shall thereupon be subject to all of the conditions, restrictions and performance criteria which were applicable to the Shares subject to the Award, prior to such Adjustment Event.

13. Effect of Certain Transactions.

13.1. Except as otherwise provided in the applicable Award Agreement, in connection a Corporate Transaction, either:

(a) outstanding Awards shall, unless otherwise provided in connection with the Corporate Transaction, continue following the Corporate Transaction and shall be adjusted if and as provided for in the agreement or plan (in the case of a liquidation or dissolution) entered into or adopted in connection with the Corporate Transaction (the "Transaction Agreement"), which may include, in the sole discretion of the Committee or the parties to the Corporate Transaction, the assumption or continuation of such Awards by, or the substitution for such Awards of new awards of, the surviving, successor or resulting entity, or a parent or subsidiary thereof, with such adjustments as to the number and kind of shares or other securities or property subject to such new awards, exercise prices and other terms of such new awards as the Committee or the parties to the Corporate Transaction shall agree, or

(b) outstanding Awards shall terminate upon the consummation of the Corporate Transaction; *provided, however*, that vested Awards shall not be terminated without:

(i) in the case of vested Options and Stock Appreciation Rights (including those Options and Stock Appreciation Rights that would become vested upon the consummation of the Corporate Transaction), (1) providing the holders of affected Options and Stock Appreciation Rights a period of at least fifteen (15) calendar days prior to the date of the consummation of the Corporate Transaction to exercise the Options and Stock Appreciation Rights, or (2) providing the holders of affected Options and Stock Appreciation Rights payment (in cash or other consideration upon or immediately following the consummation of the Corporate Transaction, or, to the extent permitted by Section 409A, on a deferred basis) in respect of each Share covered by the Option or Stock Appreciation Rights being cancelled an amount equal to the excess, if any, of the per Share price to be paid or distributed to stockholders in the Corporate Transaction (the value of any non-cash consideration to be determined by the Committee in good faith) over the Option Price of the Option or the Base Price of the Stock Appreciation Rights, or

(ii) in the case vested Awards other than Options or Stock Appreciation Rights (including those Awards that would become vested upon the consummation of the Corporate Transaction), providing the holders of affected Awards payment (in cash or other consideration upon or immediately following the consummation of the Corporate Transaction, or, to the extent permitted by Section 409A, on a deferred basis) in respect of each Share covered by the Award being cancelled of the per Share price to be paid or distributed to stockholders in the Corporate Transaction, in each case with the value of any non-cash consideration to be determined by the Committee in good faith.

(c) For the avoidance of doubt, if the amount determined pursuant to clause (b)(i)(2) above is zero or less, the affected Option or Stock Appreciation Rights may be terminated without any payment therefor.

13.2. Without limiting the generality of the foregoing or being construed as requiring any such action, in connection with any such Corporate Transaction the Committee may, in its sole and absolute discretion, cause any of the following actions to be taken effective upon or at any time prior to any Corporate Transaction (and any such action may be made contingent upon the occurrence of the Corporate Transaction):

(a) cause any or all unvested Options and Stock Appreciation Rights to become fully vested and immediately exercisable (as applicable) and/or provide the holders of such Options and Stock Appreciation Rights a reasonable period of time prior to the date of the consummation of the Corporate Transaction to exercise the Options and Stock Appreciation Rights;

(b) with respect to unvested Options and Stock Appreciation Rights that are terminated in connection with the Corporate Transaction, provide to the holders thereof a payment (in cash and/or other consideration) in respect of each Share covered by the Option or Stock Appreciation Right being terminated in an amount equal to all or a portion of the excess, if any, of the per Share price to be paid or distributed to stockholders in the Corporate Transaction (the value of any non-cash consideration to be determined by the Committee in good faith) over the exercise price of the Option or the Base Price of the Stock Appreciation Right, which may be paid in accordance with the vesting schedule of the Award as set forth in the applicable Award Agreement, upon the consummation of the Corporate Transaction or, to the extent permitted by Section 409A, at such other time or times as the Committee may determine;

(c) with respect to unvested Awards (other than Options or Stock Appreciation Rights) that are terminated in connection with the Corporate Transaction, provide to the holders thereof a payment (in cash and/or other consideration) in respect of each Share covered by the Award being terminated in an amount equal to all or a portion of the per Share price to be paid or distributed to stockholders in the Corporate Transaction (the value of any non-cash consideration to be determined by the Committee in good faith), which may be paid in accordance with the vesting schedule of the Award as set forth in the applicable Award Agreement, upon the consummation of the Corporate Transaction or, to the extent permitted by Section 409A, at such other time or times as the Committee may determine.

(d) For the avoidance of doubt, if the amount determined pursuant to clause (b) above is zero or less, the affected Option or Stock Appreciation Rights may be terminated without any payment therefor.

13.3. Notwithstanding anything to the contrary in this Plan or any Agreement,

(a) the Committee may, in its sole discretion, provide in the Transaction Agreement or otherwise for different treatment for different Awards or Awards held by different Participants and, where alternative treatment is available for a Participant's Awards, may allow the Participant to choose which treatment shall apply to such Participant's Awards;

(b) any action permitted under this Section 13 may be taken without the need for the consent of any Participant. To the extent a Corporate Transaction also constitutes an Adjustment Event and action is taken pursuant to this Section 13 with respect to an outstanding Award, such action shall conclusively determine the treatment of such Award in connection with such Corporate Transaction notwithstanding any provision of the Plan to the contrary (including Section 12).

(c) to the extent the Committee chooses to make payments to affected Participants pursuant to Section 13.1(b)(i)(2) or (ii) or Section 13.2(b) or (c) above, any Participant who has not returned any letter of transmittal or similar acknowledgment that the Committee requires be signed in connection with such payment within the time period established by the Committee for returning any such letter or similar acknowledgment shall forfeit his or her right to any payment and his or her associated Awards may be cancelled without any payment therefor.

14. Interpretation.

14.1. Section 16 Compliance. The Plan is intended to comply with Rule 16b-3 promulgated under the Exchange Act and the Committee shall interpret and administer the provisions of the Plan or any Award Agreement in a manner consistent therewith. Any provisions inconsistent with such Rule shall be inoperative and shall not affect the validity of the Plan.

14.2. Compliance with Section 409A. All Awards granted under the Plan are intended either not to be subject to Section 409A or, if subject to Section 409A, to be administered, operated and construed in compliance with Section 409A and all regulations and other guidance issued thereunder. Notwithstanding this or any other provision of the Plan to the contrary, the Committee may amend the Plan or any Award granted hereunder in any manner or take any other action that it determines, in its sole discretion, is necessary, appropriate or advisable (including replacing any Award) to cause the Plan or any Award granted hereunder to comply with Section 409A and all regulations and other guidance issued thereunder or to not be subject to Section 409A. Any such action, once taken, shall be deemed to be effective from the earliest date necessary to avoid a violation of Section 409A and shall be final, binding and conclusive on all Eligible Individuals and other individuals having or claiming any right or interest under the Plan.

15. Plan Termination and Amendment of the Plan; Modification of Awards.

15.1. Plan Amendment or Plan Termination. The Plan shall terminate on the Plan Termination Date and no Award shall be granted after that date. The applicable terms of the Plan and any terms and conditions applicable to Awards granted prior to the Plan Termination Date shall survive the termination of the Plan and continue to apply to such Awards. The Board may earlier terminate the Plan and the Board may at any time and from time to time amend, modify or suspend the Plan; *provided, however*, that:

(a) that no such amendment, modification, suspension or termination shall materially impair or materially and adversely alter any Awards theretofore granted under the Plan, except with the consent of the Participant, nor shall any amendment, modification, suspension or termination deprive any Participant of any Shares which he or she may have acquired through or as a result of the Plan; and

(b) to the extent necessary under any applicable law, regulation or exchange requirement or as provided in Section 3.8, no other amendment shall be effective unless approved by the stockholders of the Company in accordance with applicable law, regulation or exchange requirement.

15.2. Modification of Awards. No modification of an Award shall adversely alter or impair any rights or obligations under the Award without the consent of the Participant.

16. Non-Exclusivity of the Plan.

The adoption of the Plan by the Board shall not be construed as amending, modifying or rescinding any previously approved incentive arrangement or as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of stock options otherwise than under the Plan, and such arrangements may be either applicable generally or only in specific cases.

17. Limitation of Liability.

As illustrative of the limitations of liability of the Company, but not intended to be exhaustive thereof, nothing in the Plan shall be construed to:

(a) give any person any right to be granted an Award other than at the sole discretion of the Committee;

(b) limit in any way the right of the Company or any of its Subsidiaries to terminate the employment of or the provision of services by any person at any time;

(c) be evidence of any agreement or understanding, express or implied, that the Company will pay any person at any particular rate of compensation or for any particular period of time; or

(d) be evidence of any agreement or understanding, express or implied, that the Company will employ any person at any particular rate of compensation or for any particular period of time.

18. Regulations and Other Approvals: Governing Law.

18.1. Governing Law. Except as to matters of federal law, the Plan and the rights of all persons claiming hereunder shall be construed and determined in accordance with the laws of the State of Delaware without giving effect to conflicts of laws principles thereof.

18.2. Compliance with Law.

(a) The obligation of the Company to sell or deliver Shares with respect to Awards granted under the Plan shall be subject to all applicable laws, rules and regulations, including all applicable federal and state securities laws, and the obtaining of all such approvals by governmental agencies as may be deemed necessary or appropriate by the Committee.

(b) Each grant of an Award and the issuance of Shares or other settlement of the Award is subject to compliance with all applicable federal, state and foreign law. Further, if at any time the Committee determines, in its discretion, that the listing, registration or qualification of Shares issuable pursuant to the Plan is required by any securities exchange or under any federal, state or foreign law, or that the consent or approval of any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the grant of an Award or the issuance of Shares, no Awards shall be or shall be deemed to be granted or payment made or Shares issued, in whole or in part, unless listing, registration, qualification, consent or approval has been effected or obtained free of any conditions that are not acceptable to the Committee. Any person exercising an Option or receiving Shares in connection with any other Award shall make such representations and agreements and furnish such information as the Board or Committee may request to assure compliance with the foregoing or any other applicable legal requirements.

18.3. Transfers of Plan Acquired Shares. Notwithstanding anything contained in the Plan or any Award Agreement to the contrary, in the event that the disposition of Shares acquired pursuant to the Plan is not covered by a then current registration statement under the Securities Act and is not otherwise exempt from such registration, such Shares shall be restricted against transfer to the extent required by the Securities Act and Rule 144 or other regulations promulgated thereunder. The Committee may require any individual receiving Shares pursuant to an Award granted under the Plan, as a condition precedent to receipt of such Shares, to represent and warrant to the Company in writing that the Shares acquired by such individual are acquired without a view to any distribution thereof and will not be sold or transferred other than pursuant to an effective registration thereof under the Securities Act or pursuant to an exemption applicable under the Securities Act or the rules and regulations promulgated thereunder. The certificates evidencing any of such Shares shall be appropriately amended or have an appropriate legend placed thereon to reflect their status as restricted securities as aforesaid.

19. Miscellaneous.

19.1. Award Agreements. Each Award Agreement shall either be (a) in writing in a form approved by the Committee and executed on behalf of the Company by an officer duly authorized to act on its behalf, or (b) an electronic notice in a form approved by the Committee and recorded by the Company (or its designee) in an electronic recordkeeping system used for the purpose of tracking Awards as the Committee may provide. If required by the Committee, an Award Agreement shall be executed or otherwise electronically accepted by the recipient of the Award in such form and manner as the Committee may require. The Committee may authorize any officer of the Company to execute any or all Award Agreements on behalf of the Company.

19.2. Forfeiture Events; Clawback. The Committee may specify in an Award Agreement that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture, clawback or recoupment upon the occurrence of certain specified events or as required by law, in addition to any otherwise applicable forfeiture provisions that apply to the Award.

19.3. Multiple Agreements. The terms of each Award may differ from other Awards granted under the Plan at the same time or at some other time. The Committee may also grant more than one Award to a given Eligible Individual during the term of the Plan, either in addition to or, subject to Section 3.8, in substitution for one or more Awards previously granted to that Eligible Individual.

19.4. Withholding of Taxes. The Company or any of its Subsidiaries may withhold from any payment of cash or Shares to a Participant or other Person under the Plan an amount sufficient to cover any withholding taxes which may become required with respect to such payment or take any other action it deems necessary to satisfy any income or other tax withholding requirements as a result of the grant, exercise, vesting or settlement of any Award under the Plan. The Company or any of its Subsidiaries shall have the right to require the payment of any such taxes or to withhold from wages or other amounts otherwise payable to a Participant or other Person, and require that the Participant or other Person furnish all information deemed necessary by the Company or any of its Subsidiaries to meet any tax reporting obligation as a condition to exercise or before making any payment or the issuance or release of any Shares pursuant to an Award. If the Participant or other Person shall fail to make such tax payments as are required, the Company or its Subsidiaries shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to such Participant or other Person or to take such other action as may be necessary to satisfy such withholding obligations. If specified in an Award Agreement at the time of grant or otherwise approved by the Committee, a Participant may, in satisfaction of his or her obligation to pay withholding taxes in connection with the exercise, vesting or other settlement of an Award, elect to (i) make a cash payment to the Company, (ii) have withheld a portion of the Shares then issuable to him or her or (iii) deliver Shares owned by the Participant prior to the exercise, vesting or other settlement of an Award, in each case having an aggregate Fair Market Value equal to the withholding taxes. To the extent that Shares are used to satisfy withholding obligations of a Participant pursuant to this Section 19.4 (whether previously-owned Shares or Shares withheld from an Award), they may only be used to satisfy the minimum tax withholding required by law (or such other amount as will not have any adverse accounting impact as determined by the Committee).

19.5. Plan Unfunded. The Plan shall be unfunded. Except for reserving a sufficient number of authorized Shares to the extent required by law to meet the requirements of the Plan, the Company shall not be required to establish any special or separate fund or to make any other segregation of assets to assure payment of any Award granted under the Plan.
